

STATE OF ALABAMA DEPARTMENT OF
PUBLIC HEALTH

FLU VACCINES (30 SECONDS)

The winter months are almost here – and with the cooler weather and holiday celebrations comes the cold and flu season.

This is Acting State Health Officer, Doctor Scott Harris. Why should you get vaccinated against the flu this year? Even healthy people can get very sick from the flu and spread it to others, so it's important that you're protected!

For more information about flu shots, visit our website at Alabama public health dot gov slash influenza.
